## Worksheet V. Alternative Calculation for Year of Marriage Totals Worksheet

**Column A.** Complete column A below only for the months you have entries in column E of Worksheet II and/or Worksheet IV. Leave column A blank for all other months. Add the amounts in column E of Worksheets II and IV separately for each month and enter the total in column A below on the line for the same month.

**Column B.** Complete column B below for any month you have an entry in column A. For each month, enter the corresponding amount from lines 1 through 12, column (e), of Worksheet 3 under *Line 9* in the Instructions for Form 8962. If you did not complete Worksheet 3 because you entered 401 on Form 8962, line 5, leave column B, lines 1 through 12, blank and enter -0- on line 13.
