

# ARE YOU ELIGIBLE FOR THE PREMIUM TAX CREDIT?

FIND

OUT

You may be eligible for the credit if you:

Bought health insurance through the Marketplace

Are ineligible for coverage through an employer or government plan

Have income within certain limits

File a joint return with your spouse, if married

Cannot be claimed as a dependent by another person

Don't worry, we'll make sure you get all you qualify for. The Marketplace will send you Form 1095A at the end of January. When [file your taxes with 1040.com](#), you'll enter some numbers from the 1095A, and our app will do the rest.

Note: If you're receiving advance payments of the premium tax credit to help pay for your health insurance coverage, you should report life changes, such as income, marital status or family size changes, to your Marketplace. Reporting changes will help to make sure you get the proper amount of credit.
