

Identity Protection PIN Application Checklist

An IP PIN is a free 6-digit code known only to you and the IRS—it helps prevent con artists from filing a tax return with your information.

Have these things handy.

Email address: _____

Mobile phone linked to your name: _____

- Don't have a mobile phone? You'll have to get an activation code by mail.

Social Security Number (SSN): _____

- No SSN? Use your Individual Tax Identification Number (ITIN).

Tax filing status (check one):

- | | |
|--|---|
| <input type="checkbox"/> Single | <input type="checkbox"/> Head of Household |
| <input type="checkbox"/> Married Filing Jointly | <input type="checkbox"/> Qualifying Widow(er) |
| <input type="checkbox"/> Married Filing Separately | |

Mailing address: _____

Pick one!

You'll need just one financial account number linked to your name.

Credit card number: _____

- No American Express, debit or corporate cards.

Student loan: _____

- Include numbers and letters, but exclude any symbols.

Mortgage: _____

Home equity loan: _____

Home equity line of credit (HELOC): _____

Auto loan: _____

Have an IRS account?

You're ahead of the game!

To get an IP PIN, visit the [Get an Identity Protection PIN page](#) and hit the Get an IP PIN button.

Log in to your account when prompted, confirm that you would like an IP PIN, and voila!

Your new PIN will pop up, along with instructions for using it to file.

See our [Tax Guide](#) for more on IP PINs.
